

GERSTEL

MAKING LABS WORK

Discover High Quality
at a favorable price!

GERSTEL is selling equipment from our state-of-the-art customer demonstration laboratory, offering a wide range of lightly used analysis systems that can be adapted perfectly to your requirements.

Highest quality, meticulously tested

Before a demo instrument leaves GERSTEL, it undergoes a series of tests to ensure that it meets our high quality standards. We attach great importance to ensuring that every system works perfectly and that you can rely on its performance.

Efficient and cost-effective laboratory equipment

By taking advantage of this offer, you seize the opportunity to equip your laboratory in an efficient and cost-effective way. Our lightly used analysis systems offer you quality similar to new equipment at an advantageous price. You get more for your budget and benefit from the excellent performance of the GERSTEL modules and of the combined system.

Optional warranty for additional assurance

We understand how important it is for you to be able to rely on your laboratory equipment. That's why GERSTEL offers an optional warranty on demo instruments, giving you added security and allowing you to concentrate fully on your work.

Expert assistance

Our experienced sales staff are happy to help you select the solution that is just right for your laboratory. Please contact your local GERSTEL representative directly at any time for more information or to arrange a personal consultation. We attach great importance to helping you optimize your laboratory equipment.

Contact your GERSTEL sales representative today to find the optimal solution for your requirements and your budget.

We look forward to helping you increase the efficiency of your laboratory in a cost-effective manner.
